STOP SEC Rule 151A

National Call In Day

November 10, 2009

*New
Date!*

Now is the time to act. With all the noise in D.C. on health care and other major issues, we need to make our voices heard against SEC Rule 151A. Stand up and protect the insurance status of fixed index annuities. Do your part! On November 10, 2009 call your local member of Congress and ask that they co-sponsor H.R. 2733. If your member of Congress is already a sponsor tell them thank you. Call both your Senators and ask that they co-sponsor S. 1389. Again, if one of your Senators is already a co-sponsor tell them thank you. It is critical that we get thousands of calls into D.C. on November 10, 2009. **Do your part!**

It's as easy as 1, 2, 3.

1. Log on to www.SEC151a.com to find contact information for your local member of Congress and your Senators. There you will also find tools to help you to be successful as you reach out.
2. Call your local member of Congress and your Senators at their DC office on November 10th.
3. Follow up by faxing or dropping off a letter to their office.
